

# Nadine Bade

## Curriculum Vitae

### Contact

Department of Linguistics, Universitätsstraße 10, 78457 Konstanz  
+49 7531 88-3942  
[nadine.bade@uni-konstanz.de](mailto:nadine.bade@uni-konstanz.de)  
[www.nadinebade.de](http://www.nadinebade.de)

### Professional Positions

- 04/2025– **senior lecturer (*Akademische Rätin*)**, DEPARTMENT OF LINGUISTICS, University of Konstanz, AG Walkden (English Linguistics).
- 04/2023– **project leader (PI)**, DEPARTMENT OF LINGUISTICS, University of Potsdam,  
03/2025 project “Pragmatic reasoning with (non-)visual alternatives”, priority program 2392  
“Visual Communication: empirical, theoretical and applied approaches”.  
Funded by the German research foundation (DFG)
- 10/2022– **interim professor**, DEPARTMENT OF LINGUISTICS, University of Potsdam, chair:  
03/2023 “Semantics and grammar theory”.  
chair holder: Prof. Dr. Malte Zimmermann
- 04/2021– **post-doctoral researcher**, DEPARTMENT OF LINGUISTICS, University of Pots-  
09/2022 dam, project C02 “Limits of cross-linguistic variability in underspecified structures”,  
collaborative research center 1287 “Limits of variability”.  
Funded by the German research foundation (DFG), PI: Prof. Dr. Malte Zimmermann
- 10/2019– **post-doctoral researcher**, DEPARTMENT OF COGNITIVE SCIENCE, École Nor-  
03/2021 male Supérieure, Paris, project “Between Language and Reasoning”.  
Funded by the *Agence Nationale de la Recherche* (ANR), PI: Prof. Dr. Salvador Mascarenhas
- 2016– **post-doctoral researcher**, ENGLISH DEPARTMENT, University of Tübingen,  
09/2019 project “Obligatory Triggers: Experimental Evidence”, priority program “Xprag.de:  
New pragmatic evidence based on experimental evidence”.  
Funded by the German Research Foundation (DFG), PI: Prof. Dr. Sigrid Beck
- 2014–2015 **research assistant**, ENGLISH DEPARTMENT, University of Tübingen, project  
“Obligatory Triggers: Experimental Evidence”, priority program “Xprag.de: New  
pragmatic theories based on experimental evidence”.  
Funded by the German Research Foundation (DFG), PI: Prof. Dr. Sigrid Beck

- 2010–2014 **research assistant**, ENGLISH DEPARTMENT, University of Tübingen, project A2 “Interpretability in context”, collaborative research center 833 “The constitution of meaning”.  
Funded by the German Research Foundation (DFG)
- 2009–2010 **student research assistant**, ENGLISH DEPARTMENT, University of Tübingen, project B2 “Time course of the cerebral processing of presuppositions”, collaborative research center 833 “The constitution of meaning”.  
Funded by the German Research Foundation (DFG)

## Education and Training

- 08/2019 **lab visit**, *eye-tracking lab*, University of Pennsylvania, Philadelphia, collaboration with Prof. Dr. Florian Schwarz.
- 10/2018 **lab visit**, *eye-tracking lab*, University of Pennsylvania, Philadelphia, collaboration with Prof. Dr. Florian Schwarz.
- 10-11/2017 **lab visit**, *eye-tracking lab*, University of Pennsylvania, Philadelphia, collaboration with Prof. Dr. Florian Schwarz.
- 2010–2015 **Ph.D. student**, *English Linguistics*, University of Tübingen, Advisers: Prof. Dr. Sigrid Beck, Prof. Dr. Gennaro Chierchia.  
Grade: *Summa Cum Laude*
- Spring 2012 **visiting fellow**, *Linguistics Department*, Harvard University, Boston, Sponsor: Prof. Dr. Gennaro Chierchia.
- Fall 2008–  
Spring 2009 **visiting student**, *Linguistics Department*, University of Massachusetts, Amherst.  
Course work in Phonology, Morphology, Syntax, and Semantics
- 2004–2010 **M.A. student**, *English Linguistics*, University of Tübingen, adviser: Prof. Dr. Sigrid Beck, second major: rhetoric.  
Grade: “with distinction” (1.0)

## Fellowships and Grants

- 10/2026 **German Research Foundation (DFG)**, “*Silent Common Ground Management through pragmatic inference*”, COLLABORATIVE RESEARCH CENTER 1760: SILENCE, NOISE AND SIGNAL IN LANGUAGE, duration: 4 years.  
funding sum: 233.874 Euros
- 05/2026 **German Research Foundation (DFG)**, “*The pragmatic test – how humans and LLMs decode presupposed meaning*”, PRIORITY PROGRAM 2556: ROBUST ASSESSMENT & SAFE APPLICABILITY OF LANGUAGE MODELLING: FOUNDATIONS FOR A NEW FIELD OF LANGUAGE SCIENCE & TECHNOLOGY (LASTING), co-PI: Prof. Dr. Miriam Butt, duration: 3 years.  
funding sum: 268.156 Euros
- 2022 **German Research Foundation (DFG)**, “*Pragmatic reasoning with (non-)visual alternatives*”, PRIORITY PROGRAM 2329: VISUAL COMMUNICATION - THEORETICAL, EMPIRICAL AND APPLIED PERSPECTIVES, duration: 3 years.  
funding sum: 422.450 Euros

2008 **Scholarship**, *Baden-Württemberg Foundation*, funding for 9 months abroad.  
amount: 2500 Euros

---

## Publications

### Refereed Journal Articles

- [11] 2025 **Bade, N.**, W. Chung, L. Picat, R. Dudley & S. Mascarenhas "Shared mechanisms in pragmatic enrichment with contextual and lexical alternatives", *Journal of Memory and Language*
- [10] 2024 **Bade, N.**, E. Chemla & P. Schlenker "Word learning tasks as a window into the *triggering problem* for presuppositions", *Natural Language Semantics*
- [9] 2022 **Bade, N.**, L. Picat, W. Chung & S. Mascarenhas "Alternatives and attention in language and reasoning – A reply to Mascarenhas & Picat (2019)", *Semantics and Pragmatics*
- [8] 2021 **Bade, N.** "On the scope and nature of *Maximize Presupposition*", *Language and Linguistic Compass*
- [7] 2021 **Bade, N.** & A. Renans "A cross-linguistic view on the obligatory insertion of additive particles – *Maximize Presupposition* versus *Obligatory Implicatures*", *Glossa – a journal of general linguistics*
- [6] 2020 Schneider, C. & **N. Bade** & M. Janczyk & M. Franke "Presuppositions of determiners are used immediately to disambiguate utterance meaning: A mouse-tracking study on the German language", *Psychological Research*
- [5] 2020 Schneider, C. & **N. Bade** & M. Janczyk "Is immediate processing of presupposition triggers automatic or capacity-limited? A combination of the PRP approach with a self-paced reading task", *Journal of Psycholinguistic Research*
- [4] 2019 **Bade, N.** & K. Sachs "EXH passes on alternatives – A comment on Fox & Spector (2018)", *Natural Language Semantics*
- [3] 2017 **Bade, N.** & S. Beck. "Lyrical Texts as a Data Source for Linguistics", *Linguistische Berichte* 251, Buske Verlag
- [2] 2016 Dörge, C. & **N. Bade**. "Identifying Referents in Emily Dickinson's 'If it had no pencil'", *Forum for Modern Language Studies*
- [1] 2015 Bauer, M., **N. Bade**, S. Beck, C. Dörge, B. v. Eckartsberg, S. Ottschofski, J. Niefer & A. Zirker. "Emily Dickinson's 'My life had stood a loaded gun; - An Interdisciplinary Analysis". *Journal of Literary Semantics*

### Refereed Conference Proceedings

- [16] 2025 Fritzsche, L., **Bade, N.**, Ebert, C., & Meier, C. "Ja 'or' jaaaaa'? Scale interpretation in iconically lengthened response particles", *Proceedings of Sinn und Bedeutung* 29
- [15] 2025 **Bade, N.** "More evidence on the *triggering problem* for presuppositions", *Proceedings of SALT* 34
- [14] 2022 Chung, W., **N. Bade**, S. Blanc-Cuenca & S. Mascarenhas "Question-answer dynamics in deductive fallacies without languages", *Proceedings of the 44th Annual Cognitive Science Society Meeting*

- [13] 2022 Hohaus, Vera & **N. Bade** "When maximality is not maximally informative: A compositional analysis of the depth-charge illusion". *Proceedings of the 23rd Amsterdam colloquium*
- [12] 2022 Schneider, C. & M. Janczyk & **N. Bade** "Verifying pragmatic inferences in context: An experimental comparison of presuppositions of 'again' and the definite determiner with scalar implicatures". *Proceedings of Linguistic Evidence* 10
- [11] 2021 **Bade, N.** & F. Schwarz "New data on the competition between definites and indefinites", *Proceedings of ELM* 1
- [10] 2019 **Bade, N.** & F. Schwarz "(In-)definites, (anti-)uniqueness, and uniqueness expectations", *Proceedings of the 41st Annual Cognitive Science Society Meeting*
- [9] 2019 **Bade, N.**, Nakanishi, R., Sode, F., Iida, Y., Ihara, S., Ebara, M., Ono, H., Miyamoto, Y. & Sauerland, U. "Japanese *wa* and *ga* as scope markers of EXH", *Proceedings of WAFL 14, MIT Working Papers in Linguistics*
- [8] 2019 **Bade, N.** & F. Buscher "A comparison of two reinterpretation strategies using fictional contexts - benefits and challenges", *Proceedings of Linguistic Evidence* 9
- [7] 2019 **Bade, N.** & F. Schwarz "An experimental investigation of antipresuppositions", *Proceedings of PLC 42, Penn Working Papers in Linguistics*
- [6] 2018 **Bade, N.** "Obligatory additives in the Antecedent of Conditionals", *Proceedings of SUB* 21
- [5] 2017 Brockmann, S., S. Riecker, **N. Bade**, M. Bauer, S. Beck & A. Zirker "Fictional Assert and Implicatures", *Proceedings of Linguistic Evidence* 8
- [4] 2017 Renans, A. & **N. Bade** & J. DeVaugh Geiss "Universals in pragmatics: Maximize Presupposition vs. Obligatory Implicatures in Ga (Kwa)", *Proceedings of GLOW in Asia* 1, MIT Press
- [3] 2016 **Bade, N.** & S. Tiemann. "Obligatory Triggers under Negation", *Proceedings of SUB* 20
- [2] 2014 **Bade, N.** "Exhaustive Interpretation and the presupposition of 'too'", *Proceedings of SUB* 18
- [1] 2011 Tiemann, S., Schmid, M., **Bade, N.**, Rolke, B., Hertrich, I., Ackermann, H., Knapp, J., & Beck, S., "Psycholinguistic evidence for presuppositions: On-line and Off-line data", *Proceedings of SUB* 15

#### Monographs

- 2020 Bauer, M., S. Beck, S. Brockmann, S. Riecker, A. Zirker & **N. Bade**. *More on the Grammar of Emily Dickinson*. Berlin: Mouton de Gruyter

#### Papers in Edited Volumes

- 2015 **Bade, N.**, M. Bauer, S. Beck, C. Dörge & A. Zirker "Ambiguity in Shakespeare's Sonnet 138", In S. Winkler (ed.), *Ambiguity: Language and Communication*

#### Thesis

- 2016 "Obligatory Presupposition Triggers in Discourse - Empirical Foundations of the theories *Maximize Presupposition* and *Obligatory Implicatures*", University of Tübingen

---

## Presentations

### Job Talks/Short Lists

- 2024 “When meaning matters most – on the persuasive power of additive marking”, Associate Professor (W2), *Experimental and Applied English Linguistics*, University of Kassel
- 2023 “Computational modeling in semantics and pragmatics – the case of *many*”, Assistant Professor, *Experimental and Computational Approaches to Semantics and Pragmatics*, University of Amsterdam
- 2021 “Reasoning with and without language – experimental evidence”, Assistant professor *Semantics*, University of Tel Aviv
- 2021 “Alternatives and attention in language and reasoning – the case of modals”, Assistant professor (W1), *English Linguistics*, University of Konstanz, listed (2)
- 2019 “Discourse function of obligatory additive particles”, Assistant professor (W1), *Semantics and Pragmatics*, Humboldt-University Berlin, listed (3)
- 2016 “Presupposition triggers as discourse managers – experimental evidence”, Assistant professor (W1) *Experimental Pragmatics*, University of Bochum

### Invited Talks

- 2025 “Shared mechanisms between local and global implicatures – evidence from priming”, *MIT Linguistics Colloquium*, MIT, Cambridge, US
- 2024 “Finding the gap or filling it? – Experimental measures of truth value gaps”, *Gaps and Imprecision in Natural Language Semantics*, Leibniz-ZAS Berlin
- 2024 “Shared mechanisms between local and global implicatures – evidence from priming”, *Semantics Colloquium*, University of Frankfurt
- 2024 “Linguistic Illusions Revisited: The Role of Maximal Informativity”, with Vera Hohaus and Ryan Walter Smith, *Semantics Colloquium*, University of Frankfurt
- 2023 “Word learning tasks as a window into the ‘triggering problem’ for presuppositions”, with P. Schlenker and E. Chemla, *Linguistics Colloquium*, University of Stuttgart
- 2023 “Word learning tasks as a window into the ‘triggering problem’ for presuppositions”, with P. Schlenker and E. Chemla, *Semantics Circle*, Leibniz-ZAS Berlin
- 2020 “Alternatives and attention in language and reasoning – The case of modals”, joint work with L. Picat, W. Chung and S. Mascarenhas, Syntax-Semantics-Colloquium, University of Potsdam
- 2020 “New data on presuppositional competition – a new hope for *Maximize Presupposition?*”, joint work with F. Schwarz, Experimental and Theoretical Approaches to Presuppositions, workshop of project B2, CRC 883, University of Tübingen
- 2019 “(In-)definites, (anti-)uniqueness, and uniqueness expectations”, with F. Schwarz, semantics circle, University of Lyon
- 2018 “Japanese *wa* and *ga* as scope markers of EXH”, Syntax-Semantics-Colloquium, University of Nantes
- 2018 “Exhaustivity in questions - evidence from German *so* and *alles*”, Semantics Workshop, University of Vienna

- 2017 “Maximizing the presuppositions of features”, *Syntax-Semantics-Colloquium*, University of Nantes, CNRS
- 2017 “The interpretation of number in which-questions”, *Common Ground*, University of Pennsylvania, Philadelphia
- 2017 “Processing Antipresuppositions”, *Workshop on Theoretical and Experimental Approaches to Presuppositions*, University of Genoa
- 2016 “Obligatory presuppositions as a window into exhaustivity implicatures”, *Linguistics-Colloquium*, University of Potsdam
- 2015 “Obligatory presuppositions as a window into exhaustivity implicatures”, *Linguistics-Colloquium*, University of Graz
- 2015 “Obligatory presuppositions as a window into exhaustivity implicatures”, *Linguistics-Colloquium*, University of Göttingen

#### Refereed Conference Presentations

- 2024 “New data on the triggering problem for presuppositions”, *SALT 2024*, University of Rochester, Rochester
- 2020 poster, “New data on the competition between definites and indefinites”, with F. Schwarz, *ELM 2020*, University of Pennsylvania, Philadelphia
- 2020 poster, “New data on the nature of the competition between definites and indefinites”, with F. Schwarz, *CUNY 2020*, University of Massachusetts, Amherst
- 2019 “(In-)definites, (anti-)uniqueness, and uniqueness expectations”, with F. Schwarz, *CogSci 2019*, University of Montreal
- 2019 “(In-)definites, (anti-)uniqueness, and uniqueness expectations”, with F. Schwarz, *XPRAG*, University of Edinburgh
- 2018 poster, “Japanese *wa* and *ga* as scope markers of EXH”, *WAFL*, MIT
- 2018 “An experimental investigation of anti-presuppositions”, with Florian Schwarz *PLC 42*, Philadelphia, University of Pennsylvania
- 2018 “Using fictional contexts in experimental studies on reinterpretation: benefits and challenges”, *Linguistic Evidence 9*, University of Tübingen
- 2017 poster, “Processing Antipresuppositions’.” *XPRAG*, University of Cologne
- 2017 poster, “Evidence for global pronoun resolution”, with Saskia Brockmann, *XPRAG*, University of Cologne
- 2017 “Cross-linguistic variation in pragmatics: Maximize Presupposition vs. Obligatory Implicatures in Ga (Kwa)”, *Workshop on “Secondary Information & Linguistic Encoding”*, DGfS meeting Saarbrücken
- 2017 poster, “Cross-linguistic variation in pragmatics: *Maximize Presupposition* vs. *Obligatory Implicatures* in Ga (Kwa)”, *GLOW in Asia*, University of Singapore
- 2016 poster, “FictionalAssert and Implicatures”, *Linguistic Evidence 8*, University of Tübingen
- 2016 poster, “Additives as a window into local exhaustivity implicatures”, *Sinn und Bedeutung 21*, University of Edinburgh

- 2015 “Experimental evidence for the difference between soft and hard triggers”, with Dr. Sonja Tiemann, *XPRAG*, University of Chicago
- 2015 poster, “Domain Restriction Presupposed” *XPRAG*, University of Chicago
- 2015 “Obligatory Triggers under Negation”, with Sonja Tiemann, *Sinn und Bedeutung* 20, University of Tübingen
- 2014 “Pronouns Without Referents? A Linguistic and Literary Perspective”, with Dr. Saskia Ottshofski, *Literary Semantics: Past, Present, Future?*, University of Kent
- 2013 poster, “Exhaustive Interpretation and the Presupposition of ‘too’”, *Sinn und Bedeutung* 18, University of the Basque Country
- 2013 “Obligatory Presuppositions and Exhaustive Interpretation”, *International Conference of Linguistics (ICL)*, University of Geneva

## Teaching and Advising

### Teaching

- Summer 2026 **instructor**, *Linguistics meets Literature*, B.A. seminar, Department of Linguistics, University of Konstanz.  
~ 10 students
- Summer 2026 **instructor**, *The Semantics-Pragmatics Interface*, B.A. seminar, Department of Linguistics, University of Konstanz.  
~ 10 students
- Summer 2026 **instructor**, *Morphology II*, B.A. seminar, Department of Linguistics, University of Konstanz.  
~ 15 students
- Summer 2026 **instructor**, *Modals and Conditionals*, M.A. seminar, Department of Linguistics, University of Konstanz.  
5 students
- Summer 2026 **co-instructor**, *Exam colloquium*, M.Ed. colloquium, Department of Linguistics, University of Konstanz, with Prof. Dr. George Walkden.  
40 students
- Winter 2025/26 **co-instructor**, *Exam/Research colloquium*, M.Ed./M.A./PhD colloquium, Department of Linguistics, University of Konstanz, with Prof. Dr. George Walkden.  
40 students
- Winter 2025/26 **instructor**, *Experimental and Theoretical Approaches to Presuppositions*, M.A. seminar, Department of Linguistics, University of Konstanz.  
~ 10 students
- Winter 2025/26 **instructor**, *Experimental Semantics*, B.A. seminar, Department of Linguistics, University of Konstanz.  
~ 10 students
- Winter 2025/26 **co-instructor**, *Structure and History of English I*, Lecture, Department of Linguistics, University of Konstanz, with Prof. Dr. Tamara Rathcke.  
~ 160 students

- Winter 2025/26 **instructor**, *Core Components of Language B*, M.A. seminar, Department of Linguistics, University of Konstanz.  
~ 20 students
- Summer 2025 **co-instructor**, *English Around the World*, B.A. seminar, Department of Linguistics, University of Konstanz, with Prof. Dr. Tamara Rathcke.  
~ 10 students
- Summer 2025 **instructor**, *The Semantics-Pragmatics Interface*, B.A. seminar, Department of Linguistics, University of Konstanz.  
~ 10 students
- Summer 2025 **instructor**, *Morphology II*, B.A. seminar, Department of Linguistics, University of Konstanz.  
~ 15 students
- Summer 2025 **instructor**, *English Syntax*, B.A. seminar, Department of Linguistics, University of Konstanz.  
~ 20 students
- Summer 2025 **instructor**, *Core Components of Language B*, M.A. seminar, Department of Linguistics, University of Konstanz.  
~ 20 students
- Winter 2022/23 **instructor**, *Modals and Conditionals*, M.Sc. seminar, Department of Linguistics, University of Potsdam.  
~ 10 students
- Winter 2022/23 **instructor**, *The Semantics-Pragmatics Interface*, B.A./B.Sc. seminar, Department of Linguistics, University of Potsdam.  
~ 10 students
- Winter 2022/23 **instructor**, *Fieldwork*, M.Sc block seminar, Department of Linguistics, University of Potsdam/University of Ghana.  
2 week winter school at the University of Accra, Ghana, ~ 20 students
- Winter 2022/23 **instructor**, *Intensional Semantics*, B.A/B.Sc. seminar, Department of Linguistics, University of Potsdam.  
~ 20 students
- Summer 2022 **instructor**, *Introduction to Semantics*, lecture, Department of Linguistics, University of Potsdam.  
~ 25 students
- Summer 2022 **instructor**, *Experimental semantics and pragmatics*, B.A. seminar, Department of Linguistics, University of Frankfurt.  
~ 5 students
- Winter 2021/22 **co-instructor**, *Psychosemantics*, M.Sc. colloquium, Department of Linguistics, University of Potsdam, with Prof. Dr. Nicole Gotzner.  
~ 10 students
- Winter 2021/22 **co-instructor**, *Psycholinguistic approaches to semantics*, M.Sc. seminar, Department of Linguistics, University of Potsdam, with Prof. Dr. Malte Zimmermann.  
~ 10 students

- Summer 2020 **instructor**, *Introduction to Semantics*, lecture, Department of Linguistics, University of Potsdam.  
~ 25 students
- Winter 2018/19 **instructor**, *Experimental Pragmatics*, 3-day class, Linguistics Department, Osaka University.  
~ 10 students
- Winter 2018/19 **instructor**, *Formal Pragmatics*, lecture, English department, University of Tübingen.  
~ 10 students
- Winter 2017/18 **co-instructor**, *Introduction to Linguistics*, lecture, English department, University of Tübingen.  
~ 150 students
- Summer 2017 **co-instructor**, *Introduction to Linguistics*, lecture, Department of Linguistics, University of Tübingen.  
~ 150 students
- Summer 2017 **instructor**, *Experimental Pragmatics*, M.A./Ph.D. seminar, English department, University of Saarbrücken.  
~ 5 students
- Winter 2016/17 **instructor**, *Introduction to Semantics*, M.A. seminar, English department, University of Tübingen.  
~ 10 students
- Summer 2016 **instructor**, *Semantics-Pragmatics Interface*, B.A. seminar, English department, University of Tübingen.  
~ 5 students
- Summer 2015 **co-instructor**, *New Trends in Pragmatics*, M.A./Ph.D. seminar, English department, University of Tübingen, with Prof. Dr. Sigrid Beck.  
~ 15 students
- Winter 2014/15 **instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen.  
~ 30 students
- Summer 2014 **instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen.  
~ 30 students
- Winter 2013/14 **instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen.  
~ 30 students
- Winter 2012/13 **co-instructor**, *New research in semantics*, M.A./Ph.D. seminar, English department, University of Tübingen, with Prof. Dr. Sigrid Beck and Dr. Vera Hohaus.  
~ 15 students
- Winter 2011/12 **instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen.  
~ 30 students

- Summer 2011 **instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen.  
~ 30 students
- Winter 2010/11 **instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen.  
~ 30 students
- Summer 2010 **teaching assistant**, *Syntax and Semantics*, English department, University of Tübingen.  
Instructor: Dr. Sonja Tiemann
- Winter 2009/10 **teaching assistant**, *Syntax and Semantics*, English department, University of Tübingen.  
Instructor: Dr. Sonja Tiemann
- Summer 2008 **teaching assistant**, *Structural Differences between German and English*, English department, University of Tübingen.  
Instructor: Prof. Dr. Sigrid Beck
- Summer 2007 **teaching assistant**, *Syntax and Semantics*, English department, University of Tübingen.  
Instructor: Dr. Remus Gergel

#### Advising and supervision (Ph.D)

- 05/2026– Kascha Kruschwitz, “How humans and machines decode presupposed meaning”, University of Konstanz

#### Advising and supervision (B.A./M.A.)

- 2026 Alexander Weyhe, M.A. thesis , “Pragmatic Inference of Scalar Implicature in Spanish by Large Language Models”, University of Konstanz
- 2026 Hatime Ilkim Koc, M.A. thesis , “The role of grammatical evidentiality in source monitoring across different language backgrounds”, University of Konstanz
- 2026 Kascha Kruschwitz, M.A. thesis , “Number agreement: the case of disjunction”, University of Konstanz
- 2026 Moreno Quartarone, M.Ed. thesis , “Mapping Speech Acts and status: a diachronic analysis of 17th-18th century trials and letters”, University of Konstanz
- 2026 Melissa Piel, B.A. thesis , “Sprache der Nähe und Distanz in der digitalen Kommunikation: wie manifestieren sich Nähe- und Distanzmerkmale nach Koch und Österreicher in WhatsApp Nachrichten” (*“Language of distance and proximity in digital communication: how do markers of distance and proximity manifest in WhatsApp messages”*), University of Konstanz
- 2025 Edith Schlagenhauf, B.A. thesis , “Wahrnehmung und Akzeptanz gendergerechter Sprache im Sprachwandel: ein Vergleich zwischen jüngeren und älteren Sprechenden” (*“Perception and acceptance of gendered language during language change: a comparison between younger and older speakers”*)', University of Konstanz

- 2025 Sema Ünvermis, B.A. thesis , "Ironie: Lachen auf Kosten der Regeln – Eine Analyse auf Grundlage der Grice'schen Maximen und der Relevanztheorie" (*"Irony: breaking the rules by laughing: an analysis based on Gricean Maxims and Relevance Theory"*), University of Konstanz
- 2024 Agnieszka Bien, M.A. thesis , "QUD effects in implicature computation", University of Potsdam
- 2024 Ari Joshi, M.A. thesis , "An experimental exploration of negative illusions", University of Potsdam
- 2023 Henri Ebert, B.A. thesis "Gamification als Methode am Beispiel von Exhaustivitätseffekten" (*"Illustrating Gamification as a method with exhaustivity effects"*), University of Potsdam
- 2023 Zaher Alkaei, B.A. thesis "Projective Content in Syrian Arabic", University of Potsdam
- 2022 Franziska Mey, B.A. thesis "Inverser Skopus im Deutschen – Eine Experimentelle Covered-Box Untersuchung" (*"Inverse scope in German – an experimental investigation using the covered box paradigm"*), University of Potsdam
- 2021 Clara Lehmann, B.A. thesis "Definitheitseffekte in Deutschen Komparativen" (*"Definiteness effects in German comparatives"*), University of Potsdam
- 2019 Julia Braun, M.A.thesis "If they would listen to their teachers: the acquisition of English conditionals by German native speakers", University of Tübingen
- 2019 Benjamin Ulmer, M.A. thesis "Superiority Effects and Intervention Effects", University of Tübingen
- 2018 Lukas Stein, M.A. thesis "A comparison of mention-all and mention-some answers", University of Tübingen
- 2017 Sarah Ida Bussmann, M.A. thesis "The number presupposition in 'which'-questions", University of Tübingen
- 2017 Lukas Stein, B.A. thesis "Differences between Implicatures and Presuppositions - Evidence from Processing Data", University Tübingen
- 2015 Achim Skuta, M.A. thesis "If I were you, would you be me? Shifted Indexicals in Counterfactual Conditionals and Dream Reports", University of Tübingen

## Service

### Committee/Administrative work

- since 2025 **representative of academic staff**, *Departmental Board*, University of Konstanz.
- since 2025 **study coordinator**, *M.A. Linguisti*, University of Konstanz.
- 2022 **representative of academic staff**, *Departmental Board*, University of Potsdam.

### Conference/Workshop organization

- 2026 **co-organizer**, *Sinn und Bedeutung 32*, international conference on meaning, University of Konstanz.
- 2023 **co-organizer**, *Triple A*, workshop series for semantic fieldworkers, University of Potsdam.

- 2018/19 **co-organizer**, *Exhaustivity in questions and answers*, International Xprag.de Workshop, University of Tübingen.
- 2017 **co-organizer**, *Non-at-issue meaning and Information Structure*, International Xprag.de Workshop, University of Oslo.
- 2017 **co-organizer**, *3rd group meeting of Xprag "Dojo"*, German-Japanese collaboration on Experimental Pragmatics.
- 2012-16 **co-organizer**, *Variables Research Group*, CRC 833, University of Tübingen.
- 2015 **co-organizer**, *Experimental and cross-linguistic evidence for the distinction between implicatures and presuppositions*, International XPrag.de Workshop, Leibniz-ZAS Berlin.
- 2015-18 **organizer**, *Syntax-Semantics reading group*, University of Tübingen.
- 2015 **co-organizer/editor**, *Sinn und Bedeutung 20 (Proceedings)*, University of Tübingen.
- 2014 **co-organizer**, *Linguistics Meets Literature: Indexicals in narrative texts*, Workshop of project A2, CRC 833, University of Tübingen.
- 2014 **co-organizer**, *From sentence to text and back again*, summer school, CRC 833, University of Tübingen.
- 2012 **co-organizer**, *Variables at the interface between form and meaning*, CRC 833, University of Tübingen.
- 2011 **organizer**, *Dialogues between form and meaning*, summer school, CRC 833, University of Tübingen.
- 2010 **organizer**, *Linguistics Meets Literature: Reflections on methodology*, Workshop of project A2, CRC 833, University of Tübingen.

### Outreach

- 2023 **presentation/live experiment**, *Potsdamer Tag der Wissenschaften (Potsdam day of science)*, presenting research done at the university to the general public, University of Potsdam.

### Reviewing

- since 2024 Semantics of Natural Languages (SNL)
- since 2024 Manuscripto
- since 2021 Glossa Psycholinguistics, Linguistics & Philosophy
- since 2020 Psychological Research, Amsterdam Colloquium
